PROFILE

Excelling at solving any **Front-End** challenge, I bring expertise in modern technologies and a proven track record of success working with international, cross-functional teams.

WORK EXPERIENCE

Frontend Developer

01/2025 - PRESENT

GreenCarLane | Denmark

- Contributed to the development of a **B2C** platform, implementing features such as a multistep form, an enhanced search section, an interactive map, etc. (**React**, **TailwindCSS**).
- Led the migration from **React** to **Next.js**, improving performance and server-side rendering capabilities.
- Optimised **SEO**, **accessibility (WCAG)** and **internationalisation**.
- Conducted code reviews (**GitHub**) and improved **Agile** workflow (**Jira**).
- Maintained and revamped the platform with modern tech stack (**GraphQL**, **Redux**, **Jotai**, **PayloadCMS**).

React Native Developer

09/2024 - 12/2024

AdoptaUnJunior | Spain

- Built in record time a responsive, cross-platform **social network app** with **React Native** and **TailwindCSS** achieving 95% code reuse.
- Integrated **API REST** and implemented real-time features with **Socket.io** in coordination with the backend team.

Software Engineer

02/2024 - 04/2024

Leads.io | Netherlands

- Enhanced and maintained an extensive **component library** (**Vue.js**, **SCSS**, **BEM**) ensuring seamless integration with **B2B** platforms supporting finance, marketing, sales, and customer support operations.
- Conducted testing with **Cypress** achieving 70-80% coverage.
- Updated **Storybook**, improving documentation by 50%.
- Successfully delivered an MVP of an internal hub for company applications, collaborating across teams in **Agile/Scrum** workflow.
